The next match was played in Tulla against Clonmoney we won again by 2 points. The third match was against Cloughleigh it was an easy win and all our subs played very well. The last match in the group was against Meelick. We drew this match after giving our starting team a break, again our subs played a great match. The semi final was against Crusheen we won this match even though it was one of the toughest. The final was played in Cusack Park and our opponents were Kilnamona.
